✈ **Gates open at 5pm, Show starts at 7:00pm**

NEW THIS YEAR! The General Admission area will be OPEN for the Friday Night Show. Purchase your reserve seat, come early and visit the exhibits and see the static displays. This is a great opportunity to visit the Entertainment Center without the crazy crowds you'll see on Saturday and Comcast Sunday!

US Bank Community Kids Night powered by Radio Disney

This year we're pumping up the Community Kids Day and making it an entire NIGHT! Bring the kids out Friday Night and for every paying adult, TWO kids will "fly free" when a school supply donation of \$3 or more per kid is made at the entry gate. Additional kids are \$5 each. Once inside, kids will enjoy FREE access to the Entertainment Center, static displays and Kids Zone activities associated with Community Kids Night.

Friday Nights are still a great night to see some flying action as well. Scheduled to appear:

- Sean D Tucker and the Collaborators
- US Army Golden Knights Parachute Team
- Bob Carlton and Vertigo Air Shows
- Air Force Reserve BiPlane featuring Ed Hamill
 - Patty Wagstaff
- Renny Price and Hammerhead Aerobatics
 - The Robosaurus

Then finish the night with ATG and Homeland Fireworks as they present another year of Oregon's biggest Pyrotechnic and Fireworks show! This is a year you will not want to miss!
